E-ZPASS – DISCOVER THE DIFFERENCE

E-ZPass is an electronic toll collection system that allows users to drive through designated *E-ZPass* lanes without stopping to pay a cash toll, thereby reducing traffic congestion.

Discover the convenience of driving through without stopping to pay a toll. What a difference!

HOW E-ZPASS WORKS

- 1 As you slowly pass through the toll plaza, an image of your license plate is captured and the toll is deducted.

- 2 Customer is going to receive an UNPAID CALL *E-ZPASS* message each time they go through the tolls because the system will capture the vehicles license plate image and subsequently match the license plate to a valid prepay account. The transaction will be posted to your account within seven days.
- 3 If you were to use your NH Prepay account at other facilities, a video enforcement system is in place to identify you as a toll evader. NH Prepay accounts are not valid outside of NH.

Four Easy Ways to Get *E-ZPass*. Visit our web site at www.EZPassNH.com. Our toll-free number is 1-877-643-9727. Customer Service representatives will be available to answer your calls Monday through Friday 8 a.m. to 6 p.m and Saturday from 8 a.m. to 4 p.m. You can also fill out the attached application and mail or fax it to us or visit one of the Walk-In Centers. Directions to the Walk-In Centers can be found on the web at www.EZpassNH.com. Walk-In Service Center hours of operation are Monday through Friday 10 a.m. to 6 p.m.

PAYMENT METHOD

The easiest ways to pay – credit card customers will never have to worry about low balances or forgetting to make payments. The credit card will be automatically billed once the account reaches the replenishment point. If a customer, paying by cash, check or money order, forgets to replenish his or her account and the account balance reaches zero, the account will become invalid. To avoid this situation, we recommend preauthorized automatic replenishment via credit card.

- **CREDIT CARD REPLENISHMENT:** Discover the advantages to starting and re-plenishing your *E-ZPass* account via credit card:
 - It's easy. There's no need to worry about a separate *E-ZPass* payment.
 - It's automatic. As long as your credit card account is in good standing, your *E-ZPass* balance will never run out.

- **CHECK/MONEY ORDER REPLENISHMENT** To replenish by check or money order, make payable to NHDOT *E-ZPass* at **54 Regional Dr, Concord, NH 03301-8502.**

Cash replenishment will only be accepted at an NHDOT *E-ZPass* Walk-in Center.

For further assistance take advantage of our automated phone system by calling 1-877-643-9727, or visit our website at www.EZPassNH.com.

Failure to pay tolls may result in additional penalties provided by law, including termination of your account and potential suspension of your vehicle registration in the State of New Hampshire.

2 YOUR ACCOUNT

Your NHDOT *E-ZPass* Account consists of a Prepaid Toll deposit as follows:

- a) **Prepaid Tolls.** You must maintain a Prepaid Toll amount with us to cover applicable toll charges. Tolls are deducted from your account each time you utilize a toll lane. We may also deduct applicable administrative fees incurred under this agreement.
- b) **Account Balances.** No interest will be paid on cash balances in your account.
- c) **Account Inactivity.** If there are no financial transactions, tolls or payments, made to your *E-ZPass* account for a period of 18 months, you will be notified in writing and requested to close your *E-ZPass* account. You will receive e-mail statements if you provide an e-mail address and authorize us to e-mail the statements. You may also view your account history on the website.

4 METHOD OF PRE-PAYMENT

- a) You must pay a minimum Prepaid Toll Amount sufficient to cover planned toll usage for a six-week period.
- b) An account analysis is performed on all new accounts 35 days from the first use of tolls and every 90 days thereafter. If your regular use is consistently below your current six-week payment, we will adjust your minimum payment to approximate a six-week's level of actual use (\$10.00 minimum). A Replenishment Level Change Notification Letter will be sent whenever the replenishment level is increased.
- c) Account Replenishment must occur when your Prepaid Toll amount decreases to or below the replenishment point. You can replenish your account in one of the following ways:
 - 1. You can authorize us to replenish your Prepaid Toll amount by automatically charging your credit card.
 - 2. Check or Money Orders made payable to NHDOT *E-ZPass*.

- a) If you use your account when your account is in a negative balance, suspended or revoked, you may incur a processing fee of \$1.00 for the first invoice, \$1.50 for the second invoice and an administrative fee of \$25.00 for the violation notice at NH toll facilities.
- b) Administrative fees may be billed directly to your account. You may only contest the imposition of said administrative fees in writing to the *E-ZPass* Customer Service Center. If the fee is rescinded, your account will be credited the amount of the rescinded fee.
